

COVID-19 and the Economic Outlook, with Brian Nick (Part II)

THE LEAD | April 23, 2020

This week we wrap up our conversation with Brian Nick, Nuveen's chief investment strategist:

Q1: How do you compare this cycle with the last one (Global Financial Crisis)?

Q2: The Fed did jump in pretty quickly to cut rates to zero. Are they out of weapons?

Q3: Do PrivateEquity firms have any Federal rescue programs available for their MiddleMarket portfolio companies?
