

# The New Order: Leverage Finance in an Asset Management World (Third of a Series)

THE LEAD | April 3, 2024

We want to highlight issues demonstrating almost willful ignorance of the role private credit plays in today's asset management world. We understand the temptation of attention-grabbing headlines. But they do a disservice to investors exploring alternatives in a world that's punished the usual options. Getting them accurate information on private credit would be a great step in the right direction...

*(Any "forward-looking" information may include, among other things, projections, forecasts, estimates of market returns, and proposed or expected portfolio composition Past performance is no guarantee of future results. Investing involves risk; principal loss is possible.)*
