

US middle market private debt fundraising stands at US\$21.3bn so far in 2Q

LSEG | May 29, 2025

So far this quarter, LSEG LPC has tracked US\$21.3bn of US middle market debt fundraising. That total includes US\$17.4bn raised from private debt funds, comprised of US\$6.8bn collected for special opportunities funds, US\$6.1bn for generalist private debt funds and US\$4.5bn in other debt funds. Meanwhile, middle market CLO issuance accounts for US\$3.9bn of the overall 2Q25TD total.
